3rd European Day of Regional Anaesthesia

3rd ESRA E-Day: Your Local Face – to – Face Meeting

WELCOME LETTER

Dear Colleagues, Dear Friends

The European Society of Regional Anaesthesia & Pain Therapy (ESRA), following two highly successful meetings in 2018 and 2019 (1st and 2nd ESRA E – Day], is organizing, for a third year, the European Day of Regional Anaesthesia (3rd ESRA E-Day), on Saturday, 25 January 2020, in cooperation with the National Societies of Regional Anaesthesia and Pain Therapy. 34 European cities, in 13 different countries, will participate at the same day, with a common scientific program, aiming in interactivity and exchange of scientific opinions between trainees and experts, on hot topics in reference to Regional Anaesthesia.

It is an honor for Greece, to be included for a third year in this scientific event. The Directory Board of ESRA Hellas (Greek Section of ESRA – Zone of Greece & Cyprus) has selected Athens, Thessaloniki and Larissa, as the three cities – meeting points, which will participate in the celebration of the 3rd ESRA E-Day. Our basic goal is the discussion of innovations and the combination of theory with clinical methodology and Hands – On Practice. With our participation in this event we continue to be at the forefront, promoting knowledge and signaling the encouragement of training, education and research in the broad field of RA, in the context of improved quality of continuing medical education among Greek and Cypriot Anaesthesiologists.

The registration to the 3rd ESRA E-Day, in all cities, is complimentary for all Greek and Cypriot colleagues, by the ESRA Hellas Directory Board. The only prerequisite for participation is the registration in ESRA or the renewal of ESRA Registration (ESRA Europe – ESRA Hellas Joint Membership) of all attendees, for the year 2020.

Following the footsteps of ESRA and ESRA Hellas previous successful meetings, we invite you to participate with the same spirit of enthusiasm and to contribute in our mission fulfillment.

With Cordial Greetings

Evmorfia Stavropoulou
ESRA Hellas President
